BEYOND 6P LIFTED OVERVIEW

**VOTED AMERICA'S GOLF CART
OF THE YEAR**

THE MOST AWARDED LSV CART ON THE MARKET

continues to raise the industry bar to new heights with the reimagined 2025 Beyond. Make low speed maneuvering and parking a breeze with standard power steering and back up with confidence thanks to the high resolution integrated reverse camera. All Beyond models now feature exclusive upgraded seating for enhanced ergonomics and more rider comfort, plus an industry best Eco Brand Lithium Battery pack providing years of trouble-free use, backed by their incredible 8 year manufacturer warranty.

MSRP: \$15,495.00

Does Not Include Tag, Title, Doc,
Or Destination Fees

THE STANDARD BEYOND IS ANYTHING BUT STANDARD

With undeniable style and exceptional attention to details, the Beyond Beyond 6p Lifted is built to exceed your expectations of what an LSV is. Adjust the cart to your needs, with a telescopic steering column standard to get the position that's right for you. When you're ready to cruise, connect your Apple or Android phone and enjoy premium sound through an enhanced soundbar, standard on all Beyond models.

THE BRAND MORE TRUST

Bintelli has been building award winning LSV's for more than 24 years, delivering vehicles from coast to coast. Renowned for our all-aluminum frames, high quality construction and nationwide dealer network, Bintelli carts are consistently voted the best LSV's in the industry while delivering exceptional value. It's time you Experience the Difference.
