NEXUS 6R LIFTED OVERVIEW

**EXPERIENCE THE DIFFERENCE
WITH BINTELLI**

YOUR NEIGHBORS ARE GOING TO BE ENVIOUS.

When the Nexus isn't turning heads with its smooth lines and deep metallic paint it's putting the competition behind it with industry leading performance. Go longer on a charge with the ultra-efficient 72v drivetrain and enjoy the ride with premium comfort seating and keep cool with integrated headliner fans.

MORE CAR THAN CART.

Power steering, keyless ignition systems, locking storage compartments are just the start. Connect your smart phone to the Nexus and enjoy Apple and Android compatibility. Stream your favorite artist, turn on fans and customize your LED vehicle lighting on the fly through the touch screen.

THE BRAND MORE TRUST

Bintelli has been building award winning LSV's for more than 24 years, delivering vehicles from coast to coast. Renowned for our all-aluminum frames, high quality construction and nationwide dealer network, Bintelli carts are consistently voted the best LSV's in the industry while delivering exceptional value.
